How is your body feeling?
Are you ok?
It still feels like a dream
that I've done it with Gen.
This morning ..
Its...
slowly adjus-ting.
I still want to hear your voice cry out more
Saying this kind of thing
ドキッ

Gin..
Ng?
You're getting up?
Yeah
What are you thinking about?
Embracing the woman I like
It felt especially good
You're
thinking of me?

Ah, I...
it might have been painful the first time,
but it will start to feel better every time.
Gun...only the first time feels like that?
I will wipe away the pain of the first time
and you'll never feel it again

I...how can I feel like this?
Gin!!!
My body was so tense before, now it feels so relaxed.
RING

Gen has already taken the organisation and everything back.
He's ordered all of the different sections back to the way things were before
Young master's women are always so pure...
but that girl...
カチャ
He used to have such a painful expression in his eyes...
now the beautiful rose is back.

Good morning, long time no see...
Good morning...
Good morning Gin-sama
Welcome back...
Young master...
It's so strange
ドキ

my body is still so hot
this is definately all Gin's fault..
Yuuko Gin

This big good morning after the recent events
Hey! Kirara!
Ah, Hana-maki
Thank you, this time there were none of your interuptions
You told me that the left breast is extremely sensative
I should also thank you for that

But I like the sensation from the position at the back of the body.
See you around.
?
Kira-ra...
work hard I'll come get you later
Bye!

Answer me!
You've already done it with him?!
No! You can't have!
Kirara!
I told you not to!
Disgusting!
That's not fair!
Why couldn't I do it?
Tell me it's not true!
This kind of thing won't help.

TN: H= Hentai or Pornographic acts.

We continuously embraced until morning.
Last night Ken and I did H= things.
Even now you don't feel any sense of shame.
Hanamaki,
I'm very sorry
I beg you to forgive me
I feel very ashamed for having used my body like this
I've already changed...
I'm already not a virgin anymore

Truthfully... I'm very ashamed.
Now...I'm worthless~~~~
and Gin.
Kir-ara
Sorry...
even if you ask I don't have to forgive you.
I'm very much past saying sorry.

Hanamaki!
Whether or not you've done it with him,
I'll take that as my apology
What...
パニー
ズ……
ズズ…
Why did he kiss me!
ドキン ドキン ドキン

The Kirara like this in front of the camera isn't attractive at all
These expressions are...
Why? Why is he deliberately making things difficult for me?
He alone disagrees with me about Gin and I!
It doesn't matter!
Kirara...
Although it's shameless,
nobody else knows that my body has changed!
we're already prepared to get started
ドス!

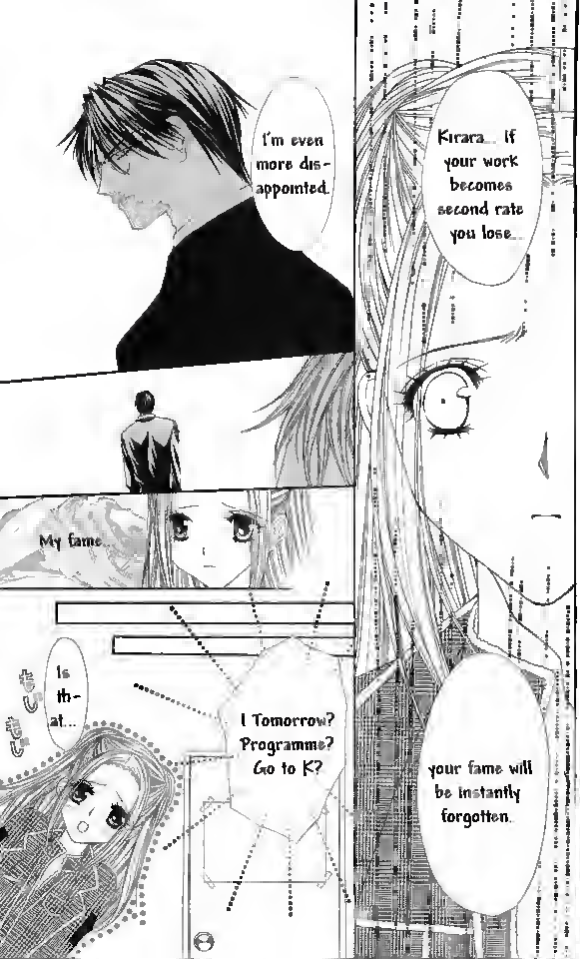
Hanamaki...
トクン
Ah.
Hanamaki, why do you have to watch... Don't look~~~
you're so cruel...

It feels as if... everybody already knows I'm not a virgin anymore!
Kirara's acting is so natural!
My...
No, Gin's Kirara...
Kira-ra...
In that one night...

It doesn't give...
off a good sugge-stion
Hana-maki!
Why do you have that present person's disagreeable body?
So Shameless!

Today's shoot went badly because of me.
I'm sorry!
It wasn't second rate at all
Wasn't second rate
Your last job received such a high response we decided to add you to the late night programme
Now I'm afraid your body won't be able to attract people anymore
Because of that you're already an unattractive person.
かあああっ!!
Kirara... You definitely can't do anything like that again
I...

You're not as good because you gave into Gin
Ah
Starting tomorrow you have to go to K for a week for another programme
Tomorrow? A week? New programme?
The programme is called late night show girls
Late night show girls?
This is also late night programme have you work, and gotten out how many of already anyway?!
You're doing this on purpose...



Kirara... If your work becomes second rate you lose...
your fame will be instantly forgotten.
I'm even more disappointed.
My fame...
Is that...
Tomorrow? Programme? Go to K?

You've got to be kidding me!
You mean to say that I can't do H things for the next week either!?
I want to make you stay
I have already waited six months
I would miss you constantly for a week
Ehh
Um... being close to you calms me a bit
Humphh
I'm sorry...

Tonight we'll just have to make it worth a whole week
OK the- n...
also want to...
I...
I still have to prepare for tomorrow

Now...
Tonight we'll finish one week's worth.
but...
I don't want to do a bad job...
トクン トクン
In this place...
Ah.
Wait.
Ah.

I can't
resist Gin....
Show me your body for the week
But...
AH

The plans have changed a bit. The host is curre-
nntly at a secret hot water spring.

Huh?
JAPAN!!
No... it's Japan.

No way...
Hanamaki and I are the only ones here.
But what nobody else knows...
the budget has also been reduced
Wha?
